A francophone cultural center and a private residence hall,
the French House has been a tradition
in Madison for 100 years.

Established in 1918 to offer UW-Madison students and the greater campus community a true francophone linguistic and cultural experience, the French House is home to 30+ students who choose to live and learn in a French speaking environment. Also open to the greater campus community, the French House is Madison's French cultural center.

Déjeuner en français ! In addition to our Wednesday dinners and Friday lunches, the French House welcomes students of French of all ages for lunch, 12:15, Monday through Friday while classes are in session. Whether enrolled in *Practical French Conversation*, or just stopping in from time to time, guests can add up to five hours of conversation practice each week with the help of native speakers *à table* every day.

RESERVATIONS

Because space is limited at our Wednesday dinners and Friday lunches, we ask that you reserve for those events at least a few days in advance at uwfrenchhouse.org.

You can also leave us a message at (608) 256-1113. If you'd like to reserve for a series of meals or the entire semester, please email us at info@uwfrenchhouse.org.

GROUPES

Groups are welcome! Our Wednesday dinners and Friday lunches tend to fill up fast, so please make arrangements at your earliest convenience. To begin, we have a handy form for you here:
